DETAILED ACTION

1. Claims 5-10 and 19-24 are pending in the present application.
2. Applicant's response filed March 25, 2009 has been entered by the examiner. Claims 5, 7, 19 and 21 were amended in the response. Claims 1-4, 11-18 and 25-28 have status cancelled.

Allowable Subject Matter

3. Claims 5-10 and 19-24 are allowed.
4. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach the combined limitations of independent claims 5, 7, 19 and 21. Specifically with respect to independent claim 5, the following limitation is not disclosed as claimed controlling, by the computer system, the serving of the ad, for rendering on a client device, using the determined relevancy of the ad, wherein the geolocation targeting information associated with the ad corresponds to an area defined by at least three geographic reference points. Regarding independent claim 7, the following limitation is not disclosed: controlling, by the computer system, the serving of the ad, for rendering on a client device, using the determined relevancy of the ad, determining, by the computer system, whether the ad has geolocation price information corresponding to the geolocation information accepted; and if it is determined that the ad has geolocation information corresponding to the geolocation information accepted, then

Art Unit: 2169

determining a score using at least the geolocation price information, otherwise determining the score using at least general price information of the ad, wherein the act of controlling the serving of the ad further uses the score of the ad, and wherein the geolocation targeting information associated with the ad corresponds to an area defined by at least three geographic reference points. Claims 19 and 21 are Markush type claims, and incorporate limitations parallel claims 5 and 7 respectively; therefore they are allowed for similar reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
